"Where is it?" he replied, in answer to my question;

MILLIONS IN IT. Queer Treasury Bureau That Holds Se

"Some of the finest material for the

"Why, everywhere. There is a bureau called the Division of Abandoned Lands

called the Division of Abandoned Danes and Property that in itself is one great comance. Its history is fuller of the marvellous than anything ever written. Why, there are \$13,000,000 in its charge belonging to people in the South alone You see, during and at the close of the war there was valuable property of all sorts which fell into the hands of army officers and was turned into the Treas ury, Over \$12,000,000 of the money charged to that bureau is the proceeds of cotton taken from plantations all over the South and sold. The money it brought was turned in, as I have told you. The amounts finally became so great that Mr. Chase, then Secretary,

reated a division that should have es-

secial charge of all this sort of thing, Why, there is one instance in which \$175,000 worth of cotton was taken from a far South estate, when cotton was worth about \$500 a bale, and sold. The ersons to whom it belonged were not ebels, but loyalists. They haven't an idea of where their cotton went to. Their names were on the bales, and it would not be difficult for them to make a case if they knew what I do. But it has been nearly twenty-three years since he money was deposited. I don't know whether any of them are living or not, and it is hardly probable that they will ever get what is really theirs. All the testimony relating to the case is in the ossession of the Government. The agent who took the cotton and the one

known. I had information to that ef-

THE President has appointed Henry
B. Plumer, son of Hon. Arnold Plumer,
of Franklin, Venango co., Naval Officer
at Philadelphia. A first rate appointment.

Advant is all manifold to the Strong of the Section of the Board,
are not for the strong but for the weak.
Mutthew S. Quay is and always has been
the instrument and tool of monopolies.
If not it would not seem right to have
them punished.

It is probable that they
were included in the purion promise, but
if not it would not seem right to have
them punished.

[Philadelphia Press, Rep.]
As Republicans, we disown these men who have bribed legislators, and these Governors and SECRETARIES (Quay) who have consided at the crime by setting the criminals free in deflance of the Constitution and laws.

FROM THE MAST EXP. - Since the call at King's and be convinced it is you close of the war many of the farmers of have supplied interest to buy of him. loow und fold Father that we had better sell our wool esoring the too lost and the mything about the prices prices had already advanced at the mills. My letter the solesman told me they were unable to do ne the if they can get any more to sell at these prices, which prices I felt sure they could sell any number of them, ever be able to sell them all, but when I heard the so many that at first I didn't really think they would \$1.00, up to \$2.25, and all sizes at each price. The next thing I wanted to look at was Blankets. I saw such an assortment of prices, too, from 25, 35, 50, 75, nicer in men's white underwear than I saw there, and year for Frank at 75 cents. I never saw anything sent shaued I seed shift sur stoward bon stride stide wishing red, is beautiful and very soft. Their 50-cent Underwent, for any one wanting fine colored, without warm, and he is about right. The new Camel's Hair too, but he thinks if they are not heavy they are not year for goods not any better. I saw some finer ones, dye, at \$1.00 a piece. I really was asked \$1.50 last hard with me to make them. I got him the Cochineal chenper than to have it made, and sewing goes too John's red underwear ready-made, too, as it is much I also some at 40 cents and some as low as 25. I got cente, same us those you bought last year at 75 cents. very much pleased with what I got. I saw some at 50 and the girls want warmth without weight, and are of their superior weight, but then they have less wool, poemeen the Becent quality and what I got because ed I ever any at that price. I was a little undecided at \$1.00 are really the softest, deceiest and best finish-The vests and drawers I got tor Ellenore and Edith out considered what I bought the better value. \$1.00 a piece, just as soft and fleecy as what I saw last year at \$1.50. I also saw some at a little higher price,
